

## PEO Grand River Chapter

Invites you  
to a Saturday of learning;  
“Flipping the Iceberg”  
from a World Class Keynote Speaker

Gregory CN Smith

Whenever I speak with people, I noticed that what they want usually falls into three categories; happiness, money and health.

This is what I call the freedom package. This workshop is highly interactive, it will change the way you think about yourself, your gifts and your potential, ultimately changing your life.

Gregory’s program ‘Flipping the Iceberg’ is a tool which guarantees you will become better at what you do. It will bring clarity and purpose in whatever you do.

“You can’t be anything you want to be but you can be everything you were designed to be.”

“Come as you are but don’t stay as you are, because the saddest thing to be said of anyone is that they have not changed a bit.”
